

## Mountain Flying for Fun and Safety!

Come spend a morning with two experts who will teach you how to make mountain flying easier, safe and, fun. You will learn why mountain flying is different, effects of altitude on airplanes and pilots, mountain weather and some great basic strategies to avoid CFIT accidents.

**Directions:** The meeting will be held at the Palomar Airport Administration Building which is the first structure on the left as you enter the airport property. Please proceed past the building to the main parking lot which is down a short grade on the left.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
